Camp Description

El Ranchito's mission is to connect youth with the natural world by providing an extraordinarily fun and inspiring nature-immersion camping experience. The Conservation Corps (CC) is El Ranchito's camp session serving 10th-12th grade students. The Corps has a four-fold focus: nature/conservation immersion, community building, leadership development, and job training. Corps members intimately experience the land, its plants and animals, its creeks, and the starry night sky. A primitive tent camp, where staff and Corps members sleep, makes experiencing the natural world fun and safe. The camp site is within close proximity of the Nature Discovery Camp (for 4th-9th graders) and is located on the Shield Ranch, just 20 miles southwest of Austin. El Ranchito is a project of the Shield Ranch Foundation in collaboration with El Buen Samaritano Episcopal Mission and Westcave Outdoor Discovery Center.
