Camp Description

El Ranchito's mission is to connect children with the natural world by providing an extraordinarily fun nature-immersion camping experience. A primitive tent camp, where staff and campers sleep, makes experiencing the natural world fun and safe for the campers. The Nature Discovery Camp and Conservation Corps sites are close to each other and located on the Shield Ranch, just 20 miles southwest of Austin. El Ranchito is a project of the Shield Ranch Foundation in collaboration with El Buen Samaritano Episcopal Mission and Westcave Preserve.
