

Dear Applicant,

Thank you for your interest in working with El Ranchito! We are following recommendations and information from the Centers for Disease Control, American Camp Association, the Texas Department of State Health Services, as well as our medical director Dr. Brian Temple and camp nurse Becca Harkleroad, RN to be able to make a final decision about whether camp will be in-person or virtual by April 1st. We WILL have El Ranchito Summer Camp in 2021 and we hope you will be able to join us!

We have prepared two job descriptions: one for each scenario. The first one will be in effect for in-person camp and the second one for virtual camp.

Once we receive your application we will be in touch about next steps and ways you may be involved in planning camp 2021.

Modifications and additions to duties and responsibilities may occur as we follow protocols in continuing to place staff and camper safety as our highest priority.
